

The Grand (Type C+)

ELEVATION OPTION

REAR ELEVATION

Our most spacious two-bedroom and study home, with generous and functional living/dining area. It has a double garage also for the second car or extended workshop or storage.

'The Grand' is the largest with a bigger living area and large study that can be used for overnight visitors. The laundry has direct access to the *rear yard*.

The generous alfresco area is a favorite for many who wish to dine and entertain outdoors but out of the elements.

It enjoys enhanced outlooks from a greater portion of the home, whilst maintaining all the privacy that you would expect. If you require extra space for visitors, storage or hobbies, this is the home for you.

The home size (including garage) is 184 m² approximately.
